## *Fluval Decorative Plant Range*

---

### **The look of a real plant without the tricky maintenance**

Enhance your aquascape and make your fish feel right at home with the new Fluval Decorative Plants range, the lifelike aquarium plant that requires minimal maintenance compared to real plants.

Available in 12 different plant varieties, the Fluval Decorative Plant Range makes an ideal choice to add a touch of colour and beauty to your planted tank. Sizes range from 17cm to 40cm, catering for all tank sizes and fish species.

Key features of the range include:

- Natural-looking colours will not fade
- Provides charming decorative touch
- Long-lasting & maintenance-free

Fluval plants are simple to install providing a practical solution to creating a realistic natural aquarium environment without the tricky maintenance of live plants.
