Exo Terra Turtle Terrarium Kit

The perfect aquatic reptile habitat kit

The new Exo Terra Turtle Terrarium Kit is the ideal housing for aquatic turtles and other aquatic reptiles, amphibians and invertebrates.

Designed by European herpetologists, the Exo Terra Turtle Terrarium is a solid, sturdy, and watertight environment designed to promote the health of aquatic animals and plants.

The terrarium's extra wide, extended water surface provides more movement for aquatic animals as well as multiple landscaping possibilities in order to create a more natural appealing aquatic terrarium environment. Its smooth design integrates nicely into any living room and its shaped side panels provide a perfect viewing area for your aquatic friend.

Perfect for Common Musk Turtles, the Turtle Terrarium Kit contains all the items you will need to create an idyllic living environment:

- Turtle Terrarium
- Turtle Bank
- Turtle UVB Fixture
- Turtle Filter
- Turtle Heater
- Turtle Pebbles
- Thermometer

Size: 60 x 45 x 35 cm / 24ö x 18ö x 14ö

Also suitable for other species

The Exo Terra Turtle Terrarium can also be used for some ground dwelling species, such as land crabs, leopard geckos and tortoises.

Exo Terra Turtle Terrarium Kit is now available at RRP £159.99
