## *Exo Terra Terrarium Cabinets*

---

### **Make a feature of your terrarium**

The new range of Exo Terra cabinets have been designed with substance and style in mind, the perfect complement to the Exo Terra range of glass terrariums.

Constructed from FSC certified material, these durable and sturdy cabinets are not only beneficial to the environment but they create a stunning reptile set-up in any home setting.

Finished in contemporary black with smoked glass effect doors, these cabinets will show off your terrarium beautifully. The integrated storage cabinet allows you to keep any unsightly live food or other accessories out of sight, while the external shelf creates a handy display area for books, plants or other sundries. The soft touch close doors create a designer modern look to the cabinets and work in harmony with your reptile, reducing sound and movement to cause less stress for your animal.

Exo Terra cabinets are UK produced, flat packed for convenience and feature easy to construct components that will have your reptile enclosure looking great in no time.

Available in three sizes:

- PT2706 ó 45cm (454 x 454 x 705mm)
- PT2707 ó 60cm (615 x 465 x 705mm)
- PT2708 ó 90cm (915 x 465 x 705mm)
- PT2709 ó 90cm Low (915 x 465 x 510mm)
