Exo Terra Cup Diets

Exo Terra has developed a series of specialised diets for reptiles. The Exo Terra range of cup diets delivers a premium range of reptile food, offering a convenient and hygienic way to feed your reptile.

Features & Benefits:

- Convenient serving portions
- Tasty and nutritious food packed with vitamins and minerals
- Light-shielded to preserve nutrients
- Packaged to offer freshness and palatability with every serving
- Suitable for use with the Exo Terra Cup Holder

The diets are complete and nutritionally balanced with all the vitamins and minerals needed to keep your reptile healthy and thriving.

Packaged in packs of 6, one cup provides enough nutrients for one reptile and should be replaced or changed every 48 hours.

This complete range of food is available in varieties for both adult and juvenile Bearded Dragons, Iguanas and European Tortoises.
